Tasting notes

A joyous port alternative, this Maury delivers macerated plums, damsons, dark chocolate and molasses. In the mouth the fruit is dark, prunes and dates, cocoa nibs and a gentle perfumed back note. Not too sweet and a great match for chocolate desserts, fruit tarts or poured over brown bread ice-cream. L&S *(Nov 2023)*

Domaine Mas Amiel

Mas Amiel is a vineyard just outside the village of Maury, North-East of Perpignan. Planted predominantly with Grenache, the estate is best known for the production of its Vin Doux Naturel, Maury, a sweet 'oxidised' wine which is aged outdoors in large glass demi-johns before being transferred into large oak barrels to age.
